

Loop Internet Privacy Policy

About Loop

Loop is Northeast Pennsylvania's most reliable internet service provider, offering gigabit services powered by our 100% fiber-optic network. We know that many of our customers are concerned about privacy, and we have implemented this Privacy Policy to explain clearly how we use and protect your personal information and to advise you of your rights and choices with respect to how we handle your personal information.

Scope of this Policy

This privacy policy applies to:

- Loop Internet Holdco, LLC and our affiliates including Loop Telecom Pennsylvania LLC ("Loop," "we," "us," "our")
- Loop's products and services (collectively the "Services") and online properties, including our website [Home - Loop Internet](#) and social media platforms listed below.

This Policy applies when you interact with us, use our Services (as a customer, a guest of a customer, or an unauthorized user of a customer's Services), or interact with our online website or social media platforms. The policy also applies anywhere our website is linked but does not apply to third-party websites, mobile applications, or services that may link to the Services or be linked to from the Services. Please review the privacy policies on those websites and applications directly to understand their privacy practices.

We may change this Policy from time to time. If we do, we will notify you by posting the updated version on our website. and revise the "Last Updated" date at the top of this Privacy Policy. You should periodically visit the Loop website and review our posted Privacy Policy to check for any changes.

Information We Collect

We collect information from you directly, from the devices you use to interact with us, and from third parties. We may combine information from the Services together and with other information we obtain from our business records. We may use and share information that we aggregate (compile to create statistics that cannot identify a particular individual) or de-identify (strip information of all unique identifiers such that it cannot be linked to a particular individual) at our discretion.

Information you give us

You may provide the following information to us directly:

- Contact and professional information, including name, email address, telephone number, and job title, as well as company name and size.
- Demographic information.
- Payment information, including credit card information.
- Information contained in your communications to us, including call recordings of customer service calls.
- Information you make available to us via a social media platform.
- Any information or data you provide by interacting with our website or social media platforms, or by commenting on content posted on our Services. Please note that these comments are also visible to other users of our Services and must be lawful and non-threatening.
- Your use of our Services, including billing and payment data.

- Information you submit to inquire about or apply for a job with us.
- Any other information you provide to us.

Information we collect automatically

We and partners working on our behalf may use log files, cookies, or other digital tracking technologies to collect the following information from the device you and any person who you allow to use the Services use to interact with our Services. We also create records when you make purchases or otherwise interact with the Services.

- **Spam, virus, and malware prevention.** To help prevent and block "spam" emails, viruses, spyware, malware, and other harmful or unwanted communications and programs from being sent and received over our Services. We do not access your outgoing or incoming email, file attachments, or website activity. However, we (along with our service providers, see below) use software and hardware tools. To help protect you and the Services against these harmful or unwanted communications and programs, these tools may automatically scan your emails, video mails, instant messages, file attachments, and other files and communications. We do not use these tools for marketing or advertising.
- **Security:** To protect and secure our Services, assets, network, and business operations, and to detect, investigate, and prevent theft, unauthorized use, or abuse of the Services and other activities that may violate our policies or be fraudulent or illegal.
- **Legal compliance:** To comply with legal process, such as warrants, subpoenas, court orders, and lawful regulatory or law enforcement requests and to comply with applicable legal and regulatory requirements.

How We Share Your Information

We do not sell any of your personal information. We may share any of the information we collect with the following recipients.

- **Affiliates:** We share information with other members of our group of companies.
- **Service providers:** We engage vendors to perform specific business functions on our behalf, and they may receive information about you from us or collect it directly. These vendors are obligated by contract to use information that we share only for the purpose of providing these business functions, which include:
 - *Supporting Service functionality*, such as vendors that support event registration, customer service and customer relationship management, subscription fulfillment, freight services, application development, list cleansing, postal mailings, and communications (email, fax).
 - *Auditing and accounting firms*, such as firms that help us create our financial records.
 - *Payment processors*, such as third-party entities that collect bank card information to process account payments.
 - *Professional services consultants*, such as firms that perform analytics, assist with improving our business, provide legal services, or supply project-based resources and assistance.

- *Analytics and marketing services*, including entities that analyze traffic on our online properties and assist with identifying and communicating with potential customers.
- *Security vendors*, such as entities that assist with security incident verification and response, service notifications, and fraud prevention.
- *Information technology vendors*, such as entities that assist with website design, hosting and maintenance, data and software storage, and network operation.
- *Marketing vendors*, such as entities that support distribution of marketing emails.
- **Business partners:** From time to time, we may share your contact information with other organizations for marketing purposes.
- **Online advertising partners:** We partner with companies that assist us in advertising our Services, including partners that use cookies and online tracking technologies to collect information to personalize, retarget, and measure the effectiveness of advertising.
- **Social media platforms:** If you interact with us on social media platforms, the platform may be able to collect information about you and your interaction with us. If you interact with social media objects on our Services (for example, by clicking on a Facebook “like” button), both the platform and your connections on the platform may be able to view that activity. To control this sharing of information, please review the privacy policy of the relevant social media platform.
- **Government entities/Law enforcement:** We may share information when we believe in good faith that we are lawfully authorized or required to do so to respond to lawful subpoenas, warrants, court orders, or other regulatory or law enforcement requests, or where necessary to protect our property or rights or the health and safety of our employees, contractors, customers, or other individuals.
- **Other businesses in the context of a commercial transaction:** We may change our ownership or corporate organization while providing the Services. We may transfer to another entity or its affiliates or service providers some or all information about you in connection with, or during negotiations of, any merger, acquisition, sale of assets or any line of business, change in ownership control, or financing transaction. We cannot promise that an acquiring party or the merged entity will have the same privacy practices or treat your information as described in this policy.

Security

We use a combination of physical, technical, and administrative safeguards to protect the information we collect through the Services. While we use these precautions to safeguard your information, we cannot guarantee the security of the networks, systems, servers, devices, and databases we operate or that are operated on our behalf.

Your Options and Rights Regarding Your Information

Your Account: Please visit your account page to update your account information.

Email Unsubscribe: If you do not wish to receive marketing information from us or wish to opt out of future email promotions from us, please contact us. You may also utilize the option to unsubscribe from mailing lists used to send you promotional email messages. Even if you unsubscribe from promotional email lists, you may still receive service-related emails.

Ad Choices: You have options to limit the information that we and our partners collect for online advertising purposes.

- You may disable cookies in your browser or mobile device using their settings menus. Your mobile device may give you the option to disable advertising functionality. Because we use cookies to support Service functionality, disabling cookies may also disable some elements of our online properties, such as persistent login, mapping addresses, shopping cart contents, analytics, and diagnostics.

- The following industry organizations offer opt-out choices for companies that participate in them: the [Network Advertising Initiative](#), the [Digital Advertising Alliance](#), and the [European Interactive Digital Advertising Initiative](#).
- You may use our cookie settings menu.
- You may contact us directly.

If you exercise these options, you may still see advertising, but it will not be personalized. Nor will exercising these options prevent other companies from displaying personalized ads to you.

If you delete your cookies, you may also delete your opt-out preferences.

Do Not Track: Your browser or device may include “Do Not Track” functionality. Our information collection and disclosure practices and the choices that we provide to you will continue to operate as described in this privacy policy regardless of whether a Do Not Track signal is received.

Special Information for Job Applicants

When you apply for a job with us, we may collect information from you, including:

- Information you provide in connection with your application.
- Information that you make available in your social media accounts.
- Information about you that is available publicly.
- Information that you authorize us to collect via third parties, including former employers or references.

In certain circumstances, you may submit your application for employment through a third-party service that displays our job posting. We do not control the privacy practices of these third-party services. Please review their privacy policies carefully prior to submitting your application materials.

Other Important Information

Data retention

We may store information about you for as long as we have a legitimate business need for it.

Information about children

The Services are intended for users who are thirteen years old and older. We do not knowingly collect information from children. If we discover that we have inadvertently collected information from anyone younger than the age of 13, we will delete that information. You agree that you will not send us the contact information of anyone younger than 13. Please contact us with any concerns.

Additional Provisions for Voice over Internet Protocol Service (VOIP) Customers

If you subscribe to our Voice over Internet Protocol service (VOIP), federal law provides additional protections with respect to information known as “customer proprietary network information” or “CPNI.” CPNI refers to the quantity, technical configuration, type, destination, location, and amount of your use of a telecommunications service that is made available to us solely by virtue of our relationship with you as a telephone customer. CPNI also includes information in your bills pertaining to your telephone service. CPNI does not include subscriber list information, such as your name, address, and telephone number.

We have a duty to protect your CPNI. For your protection, we will not disclose your call detail records over the phone to an inbound caller, and we require a password to log into accounts where you can view your CPNI online. We may use, disclose, or permit access to CPNI to provide you with the Services to which you subscribe; to bill and

collect for communications services; to protect our rights or property, or to protect users or other carriers or service providers from fraudulent, abusive or unlawful use of, or subscription to, such services; to provide inside wiring installation, maintenance, or repair services; as required by law; as expressly authorized by the customer; and to market service offerings within a category of service to which you already subscribe. Although federal law permits us to use CPNI for certain other marketing with your permission, we have elected not to use CPNI for such marketing. We do not provide or sell your CPNI to any third party for marketing activities.
